

## Bodrum-Gokova-Bodrum

### DAY 1

One the whole party has arrived, the skipper will welcome you all on board and explain some details about your trip. For your first night on board you will stay in the harbour so that you may get acquainted at leisure with lively Bodrum

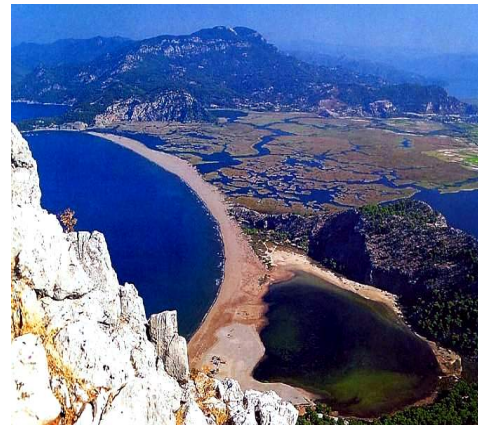

### DAY2:

After breakfast the first destination will be Orak Island with sparkling turquoise waters. After swimming and lunch our trip will go on to Cokertme where cheerful and friendly people live know as the birthplace of many local songs. Dinner and overnight will be spent here.

### DAY3:

After breakfast, when your Gulet nears a different bay, we are certain that you will be impressed as you find yourself surrounded by a blanket-like sea and colour festivity in the marvellous natural harbour of Cati. You can spend the rest of the day swimming or walking through the nearby pine forests. The most peaceful overnight waits for you.

### DAY4:

The beginning of another wonderful day in Yedi Adalar (seven islands) where coral reefs are waiting to be explored. Snorkelling, Surfing, diving, swimming, are the themes of the day. Early afternoon will bring the delights of another bay where you may walk through Gunluk forest if you wish (where you can see trees only found in this region and Africa). Dinner and overnight

spent here.

#### DAY5:

Early morning arrival to Sedir Island with its famous sandy coastline and horseshoe shaped ancient city. Ruins from Roman era are found in the golden beaches where Anthony and Cleopatra fell in love. In the afternoon you will depart to Karacasogut where the forests and sea embrace. Not far from here you may visit Marmaris, one of the most famous tourist resorts of Turkey on an optional excursion. Overnight in Karacasogut.

#### DAY6:

After breakfast we depart towards Paradise Harbour surrounded by rosariums and pine forests. There you will find a lake where memories of English warships may be conjured. Lunch will be at Longoz natural harbour which nature has created to look like lace. Later we sail to Balli Su which means honey water where we shall stay overnight. There, fresh water springs up-spring through the salty sea waters.

#### DAY7:

After breakfast in Balli Su, we sail to Kerme Bay where Keramos was once the bishop during Byzantine era dating back to the 9th century B.C. Today, the remains of the Zeus Temple are used as the city walls at the south and west of city. Leaving this historic treasure we travel to Kara Island renowned for its mud baths. We continue to Bodrum Harbour where we shall have our last evening together. Some guests may depart this evening dependant on their flight times.
